**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more competition in the market, on a level playing field so the little guys can compete equally with the behemoths. I want reasonable prices for fast speeds, LIKE EUROPE AND LARGE PARTS OF ASIA HAVE. Cheap gigabit fiber internet would BOOST OUR ECONOMY tremendously, enabling us to compete better with China, etc.
